Obee Character Design Guide

Purpose

Obee is the friendly AI-powered university transfer assistant. He should always feel approachable, optimistic, knowledgeable, and supportive. His iconic obelisk silhouette symbolizes guidance and direction.

Core Design

- Purple obelisk body with rounded edges.
- One oversized expressive eye.
- Small friendly smile.
- Soft rounded arms and feet.
- Glossy plastic/clay material with subtle reflections.

Visual Style

High-end 3D illustration inspired by modern product mascots. Soft global illumination, gentle ambient occlusion, rounded geometry, premium finish, playful proportions, transparent background.

Color Palette

Primary lavender and violet gradients, white eye, deep purple pupil, subtle pink highlights, warm neutral cardboard props when needed.

Personality

Helpful, curious, encouraging, intelligent, cheerful, welcoming, never sarcastic or intimidating.

Expressions

Happy, thinking, surprised, celebrating, focused, encouraging.

Pose Guidelines

Use open gestures, wave often, point at UI elements, hold objects naturally, maintain readable silhouette.

Environment

University-themed scenes: dorms, campuses, books, graduation, maps, laptops, checklists, scholarships, moving boxes. Keep compositions clean with transparent backgrounds for web.

Do

Maintain proportions, lighting, glossy material, purple palette, single-eye identity, friendly expressions.

Don't

Do not change body shape, add realistic textures, use harsh shadows, make Obee aggressive, or alter the iconic single eye.

Master Prompt

Create a premium Pixar-quality 3D illustration of Obee, a friendly AI university assistant shaped like a smooth purple obelisk with one large expressive eye, glossy soft-plastic material, rounded limbs, warm cinematic lighting, subtle ambient occlusion, playful pose, university-themed props, transparent background, consistent branding, ultra-clean composition.
